

## 1. Get model name from decal.

If you see the words: **Vector, Sestriere, Propel, Urraco** or **Dolomite** then your wheels were actually built by Trek under license from Rolf. YOU WILL NEED TO CONTACT TREK ABOUT THESE WHEELS.

## 2. Choose the appropriate Model section below and compare your decals to the pictures.

## 3. Once you've identified your wheel, check the Service Manual to see if your question is addressed.
